Assignment Details:

Today is Tuesday, May 12, 2020

Assignment Name: iTools: Graphs: Bar Graph

Due Date: Sunday, May 24

Instructions: Do

Resources	Status
iTools: Graphs: Bar Graph	Not started

Create your own Bar graph

Option 1: You can make your own bar graph and practice more using Chapter 10 Go math books page 593-598

Option 2: Create your own bar graph about... the number of robins, blue jays, cardinals you see, How many colors of legos you have, or your own topic!

Remember you must give your graph a title, have a key, and ask at least 3 questions about your graph.
